#### Section 9 - Legal Stuff

### 9a - Safeguarding

You will be expected to have read, agreed with and be willing to follow our Safeguarding Policy which will be supplied to you. Where possible, details of DBS/Access NI need to be provided.

#### 9b - Data Protection and Mailings

Your personal details will be held on our computer database and kept confidentially. However, in order to process this application, it is important that we can discuss information contained on this form with your Minister/Church Leader, TFM staff members, Mission Area and Team Leaders. Your address and telephone details may also be passed to the church where you are assigned on mission. However, we will not pass on your details to any other organisation, on that you have our word.

Your submission of this application form indicates your agreement with this policy.

#### 9c - Insurance

As a volunteer with TFM serving on a mission you are covered by our Public Liability Insurance to the value of £10 million. This covers all we are legally liable to pay as damages and costs/expenses for death, illness, disease and injury. Also, as we work in partnership with Churches, there will be some cover from their local policy.

However, we cannot cover every eventuality and we strongly advise you to check your own insurance details just as if you were travelling on holiday. Make sure that any insurance policy covers you for volunteer work, not just holidays.

Please note that we do not take any responsibility for any equipment or personal belongings. You are solely responsible for these. Indeed, we advise you NOT to bring anything of value with you if at all possible.

### Section 10 What is involved in being a Team Member?

#### Evangelism

This is the essence of the missions! Don't come expecting anything else. It is vital that you can share a clear and simple **personal testimony** of how Jesus Christ is at work in your own life. You will need to communicate the basics of **the Gospel** message too. You will be given training in doing this.

Much of the evangelism is **one-to-one**, in conversations in variety of settings; chatting over a gate, in schools, home meetings, church services and main evangelistic meetings.

There will also be opportunities to share your testimony and give talks

#### **Team Work**

Working in small teams is a joy. You will be thrown together with Christians from other churches with an experienced team leader.

#### **Faith and Simplicity**

As a visiting team member, you will be as dependent on the hospitality of others as the 72 sent out by Jesus (Luke ch.10). Like them, you will rejoice at God's provision, often through his people—but not always. In the New Testament, faith is spelt R-I-S-K. The food aspect is only

the beginning of this. For faith and simplicity's sake, all team members and leaders agree to

bring just £5 per day and to leave their credit cards at home, as well as leaving behind their own car. Evangelism always produces surprises. On the mission, you will find yourself able to do new things for the first time, God being your helper.

### **Training**

All applicants applying to take part in mission will be required to attend a training event

# **Spiritual Rule**

God calls us to serve Him with holy lives. Our holy love for God far outweighs the value than any number of spiritual gifts we may possess.

- Recognising our human weakness, <u>all</u> team members sign a "Spiritual Rule of Life and Holiness" when they attend a training.
- This is not a legalistic thing; nor is it salvation by works.
- The rule is a common discipline for everyday life, which we have found helpful in the previous missions and which helps us to grow in faith.
