

Prayer Mail

Thursday 27 February 2025

Prayer focus for this week

In a departure from our usual format, we want to highlight some key prayer topics. For more general matters please see last week's mailing.

Please do join in prayer and not let this be just another message in your inbox.

1. AWAKE Suffolk Coastal in September.

Team members. The number of people signing up to be TM's remains rather low.

Team Leaders. We particularly need a few more experienced people who can serve as team leaders to step up.

Churches. There are now 5 churches signed up and couple more who are almost there. Plus others who are still undecided.

2. Littleport mission in October.

This follows quickly after the Suffolk mission but is just as important. Please pray for churches to join in and team members to step up to participate.

3. TFM Staffing - A message from Dan Holland, TFM Lead Evangelist

After all his years of faithful service in TFM, David Baslington will be retiring after the AWAKE Suffolk Mission, which should be a fitting send off. Please pray for David and his wife Diane and also for us (Dan and the trustees) as we earnestly seek God for a new administrator and/or evangelist. Join with us in seeking God to shape this new season in TFM and the process of employing someone new.

Thank you for joining with us in prayer
