Thank you and bless you for faithfully praying with us!

New Leadership Roles

As TFM enters into a changed organisational structure we need to clarify leadership tasks and roles. Dan Holland retains the evangelism remit, but his job title is now *Lead Evangelist*, recognising that others bring evangelism skills and anointing to TFM, but require leadership and direction which Dan will provide.

Dan will oversee all mission opportunities. David and Tao will continue in broadly unchanged roles. The office team will liaise with and support those developing Missions. Please go on praying for our staff team at this time of transition. And please pray for Dan in his expanded task and role.
