

Prophetic Evangelism – Training Seminars

Prophetic Evangelism is an approach to sharing the good news of Jesus (evangelism) using specifically those prophetic tools and gifting provided by the Holy Spirit to the evangelist

We wonder why our evangelism efforts and programs too often fail to make the impact we believe they ought. We do not typically see significant societal impact in the New Testament pattern, or as experienced in the past by e.g. the Wesley brothers.

Prophetic evangelism adds a dimension of directness to evangelistic encounters, whether one-to-one *personal*, or with groups (but we suggest particularly with the former).

All true born-again believers are blessed with *prophetic insight* to a greater or lesser extent. Some may not recognize that they have this gifting. But it is a gift that can be sought, developed and exercised.

This four-session training course enables delegates to engage with both the ‘theory’ and practice of the prophetic as applied to evangelism encounters.

Why?

As the world changes, post- Covid, the task of evangelism will become harder and opportunities potentially increasingly restricted. Yet if anything in this era, the need for evangelism is greater as so many people have been confronted with their own mortality and with a world that seems to be on the threshold of many huge uncertainties. People are asking questions.

The “old” formula of sinner/repentance/salvation as a ‘transaction’ was always questionable but today is unfit for purpose. We need fresh ways of helping those ‘beyond the camp’ to recognize their need and to help them encounter our God Who is dynamic, 100% in control and omniscient. He knows all people, whether or not they acknowledge Him. He can – and does – speak into their situations.

Dan Holland – Prophetic evangelism

The prophetic evangelist can speak with a God-given authority that underscores the truth of the message they bring.

The Course

Four 90-minute sessions delivered via Zoom to explore:

- **The evangelism imperative ('up')**
- **The prophetic through Scripture – when God speaks ('down')**
- **Jesus and prophetic evangelism ('in')**
- **Prophetic evangelism – practicalities ('out')**

Delivered by Dan Holland, a full time evangelist with *Through Faith Missions* in the UK, the course helps delegates to pray and think through the issues. It uses Dan's book "Prophetic Evangelism- Kingdom Exploits in the Risk Zone" as basic course material but adds

- prayer
- praise
- group work/bible studies
- practical challenges

to bring on insight and understanding – and to develop gifting.

All are welcome, whatever their level of confidence and gifting! We're all learning together!
