Partnership Training Outreach

Join many other churches
across the region

Host a team to serve your
community

Serve as a team member and
share your faith

member of
evangelical alliance
together making Jesus known

throughfaithmissions.org/awake

AWAKE Suffolk Coastal is an outreach mission taking the Gospel outside the church walls and into the community

- A partnership between the local church and Through Faith Missions (TFM)
- TFM offer a whole range of activities and events.
- A strong emphasis on getting out to where the people are by visiting homes, pubs, schools, workplaces, etc.
- An ability to work well with children and youth, a crucial area for churches today
- Encouraging evangelism among men through specific events.
- A willingness to innovate and do new things.

How can I get involved with the Mission?

Prayer

Planning is important but prayer is essential. Prayer materials specially developed for this mission can be downloaded from the TFM website for personal or group use. We want to promote as much prayer as possible.

Financial support

TFM exists entirely by gifts and does not charge fees for missions. If you feel able to support this mission financially, please contact the TFM office.

Team members

Men and women serve on mission teams. No previous experience is necessary, just a heart to share the good news of Jesus. TFM will provide training, though we welcome those with specific skills. For an application form, contact the TFM office.

Local churches

Every church leader is offered a visit to give them the information they need to decide with their congregation if they will be involved. We believe that this type of mission can benefit churches of all sizes, styles and denominations because the mission is tailored to fit your needs.

Local Christians have many ways to be involved, in addition to those noted above. You could offer to help with the planning or the follow up or offer a bed or meal.
