January

- 1st This week lets pray for **the year ahead for TFM**: For the missions planned that they may bear great fruit with many turning to God. For the churches we work alongside that they may be newly encouraged to reach out to their local communities and the staff of TFM that you will bless and prosper them in all that they do.
- 8th Mighty God we lift to you **Richard Scott** as he leads TFM. Bless him with wisdom and a hunger to serve you. Guide him in the day to day work of running TFM.

The task of evangelism is therefore best understood as the proclamation that Jesus is already Lord, that in him God's new creation has broken into history, and that all people are therefore summoned to submit to him in love, worship and obedience.

- 15th We pray for the **HOPE2018** initiative. That many churches will join together and use the resources and encouragement from HOPE to reach out to their local communities.
- 22nd Please pray for the preparation for missions this spring to **Uganda and Kenya**. For God's protection over the team members from TFM who will be taking part, that God will endow them with good health and strength to fulfil His calling to take the Gospel to all nations.
- 29th Remember **those who have come to faith** in the last year through the ministry of TFM. That they will find good spiritual homes and be encouraged and nurtured in their faith.

His authority on earth allows us to dare to go to all the nations. His authority in heaven gives us our only hope of success. And His presence with us leaves us no other choice.

Acts 13:47 NIV
